WHEREAS, the Lessor(s), Chesapeake Exploration, L.L.C. and Total E&P USA, Inc., their successors and/or assigns, desires to amend said Oil and Gas Lease as set forth below, and

NOW THEREFORE, in consideration of the leased premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby amend the Oil and Gas Lease as follows:

1) The Lease states that the land covered thereby (the "leased premises") is described as follows:

**0.364 acre(s) of land, more of less, situated in the L Randall Survey, Abstract No. 1311 and being Block 2R Lot 6, Brookside Park Addition, an Addition to the City of Arlington, Tarrant County, Texas, according to the Plat recorded in Volume/Cabinet 388-82 Page/Slide 57 of the Plat Records, Tarrant County, Texas and being further described in that certain Instrument dated 12/31/1900 and recorded in Volume 6579, Page 551, in the Official Records of Tarrant County, Texas.**

The PROPERTY DESCRIPTION within the said Oil and Gas Lease filed in the Official Public Records of Tarrant County, Texas as referenced above is deleted in its entirety and substituted with the following Property Description:

**0.364 acres, more or less, situated in the Leonard Randal Survey, A-1311, and being Lot 6, Block 2R, of Brookside Park Addition, an addition to the City of Dalworthington Gardens, Tarrant County, Texas, according to the map or plat thereof recorded in Volume 388-82, Page 57, Plat Records, Tarrant County Texas and amendments thereof, including streets, easements, and alleyways adjacent thereto, and any riparian rights.**

2) Amend the primary term to include the following language:

The lease is amended to extend the primary term for an additional twelve (12) months to May 22, 2011.

3) Add the following clause:

“Wherever reference is made to a 22.5% royalty herein, said royalty shall hereby be amended to read 25% royalty”.

4) The Lease states that the Lessor(s) is as follows:

**Frank R Ricketts and wife, Charlene Ricketts**

The Lessor Identification within the said Oil and Gas Lease filed in the Official Public Records of Tarrant County, Texas as referenced above is deleted in its entirety and substituted with the following Lessor Identification:

5) Delete Paragraph 5 in said Lease and replace with the following Pooling Clause:

**“Lessee shall have the right but not the obligation to pool all or any part of the leased premises or interest therein with any other lands or interests, as to any or all depths or zones, and as to any or all substances covered by this lease, either before or after the commencement of production, whenever Lessee deems it necessary or proper to do so in order to prudently develop or operate the leased premises, whether or not similar pooling authority exists with respect to such other lands or interests. The unit formed by such pooling for an oil well which is not a horizontal completion shall not exceed 80 acres plus a maximum acreage tolerance of 10%, and for a gas well or a horizontal completion shall not exceed 640 acres plus a maximum acreage tolerance of 10%; provided that a larger unit may be formed for an oil well or gas well or horizontal completion to conform to any well spacing or density pattern that may be prescribed or permitted by any governmental authority having jurisdiction to do so. For the purpose of the foregoing, the terms “oil well” and “gas well” shall have the meanings prescribed by applicable law or the appropriate governmental authority, or, if no definition is so prescribed, “oil well” means a well with an initial gas-oil ratio of less than 100,000 cubic feet per barrel and “gas well” means a well with an initial gas-oil ratio of 100,000 cubic feet or more per barrel, based on 24-hour production test conducted under normal producing conditions using standard lease separator facilities or equivalent testing equipment; and the term “horizontal completion” means an oil well in which the horizontal component of the gross completion interval in the reservoir exceeds the vertical component thereof. In exercising its pooling rights hereunder, Lessee shall file of record a written declaration describing the unit and stating the effective date of pooling. Production, drilling or reworking operations anywhere on a unit which includes all or any part of the leased premises shall be treated as if it were production, drilling or reworking operations on the leased premises, except that the production on which Lessor’s royalty is calculated shall be that proportion of the total unit production which the net acreage covered by this lease and included in the unit bears to the total gross acreage in the unit, but only to the extent such proportion of unit production is sold by Lessee. Pooling in one or more instances shall not exhaust Lessee’s pooling rights hereunder, and Lessee shall have the recurring right but not the obligation to revise any unit formed hereunder by expansion or contraction or both, either before or after commencement of production, in order to conform to the well spacing or density pattern prescribed or permitted by the governmental authority having jurisdiction, or to conform to any productive acreage determination made by such governmental authority. In making such a revision, Lessee shall file of record a written declaration describing the revised unit and stating the effective date of revision. To the extent any portion of the leased premises is included in or excluded from the unit by virtue of such revision, the proportion of unit production on which royalties are payable hereunder shall thereafter be adjusted accordingly. In the absence of production in paying quantities from a unit, or upon permanent cessation thereof, Lessee may terminate the unit by filing of record a written declaration describing the unit and stating the date of termination. Pooling hereunder shall not constitute a cross-conveyance of interests.”**

Lessor(s) does hereby adopt, ratify and confirm the Lease, as amended hereby, and does hereby stipulate that the Lease remains in full force and effect. Insofar as is necessary, Lessor(s) does

hereby lease, let, and demise to Lessee, its successors and assigns, the lands covered by the Lease, pursuant to the terms and provisions of the Lease.

In the event of a conflict between the provisions contained in this instrument and any other provisions contained in the Lease, the provisions contained in this instrument shall prevail to the extent of such conflict; in all other respects the Lease shall remain in full force and effect.

This instrument may be executed in multiple counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, this instrument is executed as of the date of acknowledgment of the signatures below.
